§ 27.7 Discrimination prohibited.

(a) *General.* No qualified handicapped person shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives or benefits from Federal financial assistance administered by the Department of Transportation.

(b) *Discriminatory actions prohibited.* (1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

49 CFR Subtitle A (10-1-96 Edition)

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not substantially equal to that afforded persons who are not handicapped;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as persons who are not handicapped;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits or services that are as effective as those provided to persons who are not handicapped;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing financial or other assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program;

(vi) Deny a qualified handicapped person the opportunity to participate in conferences, in planning or advising recipients, applicants or would-be applicants, or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting that is reasonably achievable.

(3) Even if separate or different programs or activities are available to handicapped persons, a recipient may not deny a qualified handicapped person the opportunity to participate in

the programs or activities that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap,

(ii) That have the purpose or effect of defeating or substantially reducing the likelihood that handicapped persons can benefit by the objectives of the recipient's program, or

(iii) That yield or perpetuate discrimination against another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant or a recipient may not make selections:

(i) That have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from Federal financial assistance, or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid benefit, or service provided under a program or activity receiving or benefiting from Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c) *Communications.* Recipients shall take appropriate steps to ensure that communications with their applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(d) *Programs limited by Federal law.* In programs authorized by Federal statute or executive order that are designed especially for the handicapped, or for a particular class of handicapped persons, the exclusion of nonhandicapped or other classes of handicapped persons is not prohibited by this part.

§ 27.9 Assurance required.

(a) *General.* Each application for Federal financial assistance to carry out a program to which this part applies, and each application to provide a facility, shall, as a condition to approval or extension of any Federal financial assistance pursuant to the application, contain, or be accompanied by, written assurance that the program will be conducted or the facility operated in compliance with all the requirements imposed by or pursuant to this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Future effect of assurances.* Recipients of Federal financial assistance, and transferees of property obtained by a recipient with the participation of Federal financial assistance, are bound by the recipient's assurance under the following circumstances:

(1) When Federal financial assistance is provided in the form of a conveyance of real property or an interest in real property from the Department of Transportation to a recipient, the instrument of conveyance shall include a covenant running with the land binding the recipient and subsequent transferees to comply with the requirements of this part for so long as the property is used for the purpose for which the Federal financial assistance was provided or for a similar purpose.

(2) When Federal financial assistance is used by a recipient to purchase or improve real property, the assurance provided by the recipient shall obligate the recipient to comply with the requirements of this part and require any subsequent transferee of the property, who is using the property for the purpose for which the Federal financial assistance was provided, to agree in writing to comply with the requirements of this part. The obligations of the recipient and transferees under this part shall continue in effect for as long as the property is used for the purpose for which Federal financial assistance was provided or for a similar purpose.

(3) When Federal financial assistance is provided to the recipient in the form of, or is used by the recipient to obtain, personal property, the assurance provided by the recipient shall obligate

§ 27.11

the recipient to comply with the requirements of this part for the period it retains ownership or possession of the property or the property is used by a transferee for purposes directly related to the operations of the recipient.

(4) When Federal financial assistance is used by a recipient for purposes other than to obtain property, the assurance provided shall obligate the recipient to comply with the requirements of this part for the period during which the Federal financial assistance is extended to the program.

§ 27.11 Remedial action, voluntary action and compliance planning.

(a) *Remedial action.* (1) If the responsible Departmental official finds that a qualified handicapped person has been excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under, any program or activity in violation of this part, the recipient shall take such remedial action as the responsible Departmental official deems necessary to overcome the effects of the violation.

(2) Where a recipient is found to have violated this part, and where another recipient exercises control over the recipient that has violated this part, the responsible Departmental official, where appropriate, may require either or both recipients to take remedial action.

(3) The responsible Departmental official may, where necessary to overcome the effects of a violation of this part, require a recipient to take remedial action:

(i) With respect to handicapped persons who are no longer participants in the recipient's program but who were participants in the program when such discrimination occurred, and

(ii) With respect to handicapped persons who would have been participants in the program had the discrimination not occurred.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to assure the full participation in the recipient's program or activity by qualified handicapped persons.

(c) *Compliance planning.* (1) A recipient shall, within 90 days from the effective date of this part, designate and

49 CFR Subtitle A (10–1–96 Edition)

forward to the head of any operating administration providing financial assistance, with a copy to the responsible Departmental official the names, addresses, and telephone numbers of the persons responsible for evaluating the recipient's compliance with this part.

(2) A recipient shall, within 180 days from the effective date of this part, after consultation at each step in paragraphs (c)(2) (i)–(iii) of this section with interested persons, including handicapped persons and organizations representing the handicapped:

(i) Evaluate its current policies and practices for implementing these regulations, and notify the head of the operating administration of the completion of this evaluation;

(ii) Identify shortcomings in compliance and describe the methods used to remedy them;

(iii) Begin to modify, with official approval of recipient's management, any policies or practices that do not meet the requirements of this part according to a schedule or sequence that includes milestones or measures of achievement. These modifications shall be completed within one year from the effective date of this part;

(iv) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted from previous policies and practices; and

(v) Establish a system for periodically reviewing and updating the evaluation.

(3) A recipient shall, for at least three years following completion of the evaluation required under paragraph (c)(2) of this section, maintain on file, make available for public inspection, and furnish upon request to the head of the operating administration:

(i) A list of the interested persons consulted;

(ii) A description of areas examined and any problems identified; and

(iii) A description of any modifications made and of any remedial steps taken.

§ 27.13 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient that employs fifteen or more persons shall, within 90 days of

the effective date of this regulation, forward to the head of the operating administration that provides financial assistance to the recipient, with a copy to the responsible Departmental official, the name, address, and telephone number of at least one person designated to coordinate its efforts to comply with this part. Each such recipient shall inform the head of the operating administration of any subsequent change.

(b) *Adoption of complaint procedures.* A recipient that employs fifteen or more persons shall, within 180 days, adopt and file with the head of the operating administration procedures that incorporate appropriate due process standards and provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part.

§ 27.15 Notice.

(a) A recipient shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of handicap. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to § 27.13(a). A recipient shall make the initial notification required by this section within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement

of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications. In either case, the addition or revision must be specially noted.

§ 27.17 Effect of State or local law.

The obligation to comply with this part is not obviated or affected by any State or local law.

§ 27.19 Compliance with Americans with Disabilities Act requirements and FTA policy.

(a) Recipients subject to this part (whether public or private entities as defined in 49 CFR part 37) shall comply with all applicable requirements of the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. 12101-12213) including the Department's ADA regulations (49 CFR parts 37 and 38), the regulations of the Department of Justice implementing titles II and III of the ADA (28 CFR parts 35 and 36), and the regulations of the Equal Employment Opportunity Commission (EEOC) implementing title I of the ADA (29 CFR part 1630). Compliance with the EEOC title I regulations is required as a condition of compliance with section 504 for DOT recipients even for organizations which, because they have fewer than 25 or 15 employees, would not be subject to the EEOC regulation in its own right. Compliance with all these regulations is a condition of receiving Federal financial assistance from the Department of Transportation. Any recipient not in compliance with this requirement shall be subject to enforcement action under subpart F of this part.

(b) Consistent with FTA policy, any recipient of Federal financial assistance from the Federal Transit Administration whose solicitation was made before August 26, 1990, and is for one or more inaccessible vehicles, shall provide written notice to the Secretary (e.g., in the case of a solicitation made in the past under which the recipient can order additional new buses after the effective date of this section). The Secretary shall review each case individually, and determine whether the Department will continue to participate in the Federal grant, consistent

§ 27.71

with the provisions in the grant agreement between the Department and the recipient.

[55 FR 40763, Oct. 4, 1990, as amended at 56 FR 45621, Sept. 6, 1991; 61 FR 32354, June 24, 1996]

Subpart B—Program Accessibility Requirements in Specific Operating Administration Programs: Airports, Railroads, and Highways

§27.71 Federal Aviation Administration—airports.

(a) *Fixed facilities; new terminals.* (1) Terminal facilities designed and constructed by or for the use of a recipient of Federal financial assistance on or after the effective date of this part, the intended use of which will require it to be accessible to the public or may result in the employment therein of physically handicapped persons, shall be designed or constructed in accordance with the accessibility standards referenced in §27.3(b) of this part. Where there is apparent ambiguity or contradiction between the definitions and the standards referenced in §27.3(b) and the definitions and standards used in paragraph (a)(2) of this section, the terms in the standards referenced in §27.3(b) should be interpreted in a manner that will make them consistent with the standards in paragraph (a)(2) of this section. If this cannot be done, the standards in paragraph (a)(2) of this section prevail.

(2) In addition to the accessibility standards referenced in §27.3(b) of this part, the following standards apply to new airport terminal facilities:

(i) *Airport terminal circulation and flow.* The basic terminal design shall permit efficient entrance and movement of handicapped persons while at the same time giving consideration to their convenience, comfort, and safety. It is also essential that the design, especially concerning the location of elevators, escalators, and similar devices, minimize any extra distance that wheel chair users must travel compared to nonhandicapped persons, to reach ticket counters, waiting areas, baggage handling areas, and boarding locations.

49 CFR Subtitle A (10–1–96 Edition)

(ii) *International accessibility symbol.* The international accessibility symbol shall be displayed at accessible entrances to buildings that meet the ANSI standards.

(iii) *Ticketing.* The ticketing system shall be designed to provide handicapped persons with the opportunity to use the primary fare collection area to obtain ticket issuance and make fare payment.

(iv) *Baggage check-in and retrieval.* Baggage areas shall be accessible to handicapped persons. The facility shall be designed to provide for efficient handling and retrieval of baggage by all persons.

(v) *Boarding.* Each operator at an airport receiving any Federal financial assistance shall assure that adequate assistance is provided for enplaning and deplaning handicapped persons. Boarding by level entry boarding platforms and by passenger lounges are the preferred methods for movement of handicapped persons between terminal buildings and aircraft at air carrier airports; however, where this is not practicable, operators at air carrier airport terminals shall assure that there are lifts, ramps, or other suitable devices not normally used for movement of freight that are available for enplaning and deplaning wheelchair users.

(vi) *Telephones.* Wherever there are public telephone centers in terminals, at least one clearly marked telephone shall be equipped with a volume control or sound booster device and with a device available to handicapped persons that makes telephone communication possible for persons wearing hearing aids.

(vii) *Teletypewriter.* Each airport shall ensure that there is sufficient teletypewriter (TTY) service to permit hearing-impaired persons to communicate readily with airline ticket agents and other personnel.

(viii) *Vehicular loading and unloading areas.* Several spaces adjacent to the terminal building entrance, separated from the main flow of traffic, and clearly marked, shall be made available for the loading and unloading of handicapped passengers from motor vehicles. The spaces shall allow individuals in wheelchairs or with braces or

crutches to get in and out of automobiles onto a level surface suitable for wheeling and walking.

(ix) *Parking.* In addition to the requirements in the accessibility standards referenced in § 27.3(b) of this part the following requirements shall be met:

(A) Curb cuts or ramps with grades not exceeding 8.33 percent shall be provided at crosswalks between park areas and the terminal;

(B) Where multi-level parking is provided, ample and clearly marked space shall be reserved for ambulatory and semi-ambulatory handicapped persons on the level nearest the ticketing and boarding portion of the terminal facilities, and

(C) In multi-level parking areas, elevators, ramps, or other devices that can accommodate wheelchair users shall be easily available.

(x) *Waiting area/public space.* As the major public area of the airport terminal facility, the environment in the waiting area/public space should give the handicapped person confidence and security in using the facility. The space shall be designed to accommodate the handicapped providing clear direction about how to use all passenger facilities.

(xi) *Airport terminal information.* Airport terminal information systems shall take into consideration the needs of handicapped persons. The primary information mode shall be visual words and letters, or symbols, using lighting and color coding. Airport terminals shall also have facilities providing information orally.

(xii) *Public services.* Public service facilities such as public toilets, drinking fountains, telephones, travelers aid and first aid medical facilities shall be designed in accordance with accessibility standards referenced in § 27.3(b) of this part.

(b) *Fixed facilities; existing terminals—*

(1) *Structural changes.* Where structural changes are necessary to make existing air carrier terminals which are owned and operated by recipients of Federal financial assistance accessible to and usable by handicapped persons, such changes shall be made in accordance with the ANSI standards as soon as practicable, but in no event later than

three years after the effective date of this part.

(2) *Ongoing renovation.* In terminals that are undergoing structural changes involving entrances, exits, interior doors, elevators, stairs, baggage areas, drinking fountains, toilets, telephones, eating places, curbs, and parking areas, recipients shall begin immediately to incorporate accessibility features.

(3) *Transition.* Where extensive structural changes to existing facilities are necessary to meet accessibility requirements, recipients shall develop a transition plan in accordance with § 27.65(d) and submit it to the Federal Aviation Administration (FAA). Transition plans are reviewed and approved or disapproved by the FAA as expeditiously as possible after they are received.

(4) *Boarding.* Each operator at an airport receiving any Federal financial assistance shall assure that adequate assistance is provided incident to enplaning and deplaning handicapped persons. Within three years from the effective date of this part, recipients operating terminals at air carrier airports that are not equipped with jetways or passenger lounges for boarding and unboarding shall assure that there are lifts, ramps, or other suitable devices, not normally used for movement of freight, are available for enplaning and deplaning wheelchair users.

(5) *Passenger services.* Recipients operating terminals at air carrier airports shall assure that there are provisions for assisting handicapped passengers upon request in movement into, out of, and within the terminal, and in the use of terminal facilities, including baggage handling.

(6) *Guide dogs.* Seeing eye and hearing guide dogs shall be permitted to accompany their owners and shall be accorded all the privileges of the passengers whom they accompany in regard to access to terminals and facilities.

§ 27.75 Federal Highway Administration—highways.

(a) *New facilities—(1) Highway rest area facilities.* All such facilities that

will be constructed with Federal financial assistance shall be designed and constructed in accordance with the accessibility standards referenced in § 27.3(b) of this part.

(2) *Curb cuts.* All pedestrian crosswalks constructed with Federal financial assistance shall have curb cuts or ramps to accommodate persons in wheelchairs, pursuant to section 228 of the Federal-Aid Highway Act of 1973 (23 U.S.C. 402(b)(1)(F)).

(3) *Pedestrian over-passes, under-passes and ramps.* Pedestrian over-passes, under-passes and ramps, constructed with Federal financial assistance, shall be accessible to handicapped persons, including having gradients no steeper than 10 percent, unless:

(i) Alternate safe means are provided to enable mobility-limited persons to cross the roadway at that location; or

(ii) It would be infeasible for mobility-limited persons to reach the over-passes, under-passes or ramps because of unusual topographical or architectural obstacles unrelated to the federally assisted facility.

(b) *Existing facilities—Rest area facilities.* Rest area facilities on Interstate highways shall be made accessible to handicapped persons, including wheelchair users, within a three-year period after the effective date of this part. Other rest area facilities shall be made accessible when Federal financial assistance is used to improve the rest area, or when the roadway adjacent to or in the near vicinity of the rest area is constructed, reconstructed or otherwise altered with Federal financial assistance.

Subpart C—Enforcement

§ 27.121 Compliance information.

(a) *Cooperation and assistance.* The responsible Departmental official, to the fullest extent practicable, seeks the cooperation of recipients in securing compliance with this part and provides assistance and guidance to recipients to help them comply with this part.

(b) *Compliance reports.* Each recipient shall keep on file for one year all complaints of noncompliance received. A record of all such complaints, which may be in summary form, shall be kept for five years. Each recipient shall keep such other records and submit to the responsible Departmental official or his/her designee timely, complete, and accurate compliance reports at such times, and in such form, and containing such information as the responsible Department official may prescribe. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, the other recipient shall also submit compliance reports to the primary recipient so as to enable the primary recipient to prepare its report.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Departmental official or his/her designee during normal business hours to books, records, accounts, and other sources of information, and to facilities that are pertinent to compliance with this part. Where required information is in the exclusive possession of another agency or person who fails or refuses to furnish the information, the recipient shall so certify in its report and describe the efforts made to obtain the information. Considerations of privacy or confidentiality do not bar the Department from evaluating or seeking to enforce compliance with this part. Information of a confidential nature obtained in connection with compliance evaluation or enforcement is not disclosed by the Department, except in formal enforcement proceedings, where necessary, or where otherwise required by law.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its application to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Departmental official finds necessary to apprise them of the protections against discrimination provided by the Act and this part.

§ 27.123 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Departmental official or his/her designee, from time to time, reviews the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself/herself or any specific class of individuals to be harmed by failure to comply with this part may, personally or through a representative, file a written complaint with the responsible Departmental official. A Complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Departmental official or his/her designee.

(c) *Investigations.* The responsible Departmental official or his/her designee makes a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation includes, where appropriate, a review of the pertinent practices and policies of the recipient, and the circumstances under which the possible noncompliance with this part occurred.

(d) *Resolution of matters.* (1) If, after an investigation pursuant to paragraph (c) of this section, the responsible Departmental official finds reasonable cause to believe that there is a failure to comply with this part, the responsible Departmental official will inform the recipient. The matter is resolved by informal means whenever possible. If the responsible Departmental official determines that the matter cannot be resolved by informal means, action is taken as provided in § 27.125.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, the responsible Departmental official or his/her designee so informs the recipient and the complainant, if any, in writing.

(e) *Intimidating and retaliatory acts prohibited.* No employee or contractor of a recipient shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 504 of the Act or this part, or because the individual has made a complaint, testified, assisted, or par-

ticipated in any manner in an investigation, hearing, or proceeding, under this part. The identity of complainants is kept confidential at their election during the conduct of any investigation, hearing or proceeding under this part. However, when such confidentiality is likely to hinder the investigation, the complainant will be advised for the purpose of waiving the privilege.

§ 27.125 Compliance procedure.

(a) *General.* If there is reasonable cause for the responsible Departmental official to believe that there is a failure to comply with any provision of this part that cannot be corrected by informal means, the responsible Departmental official may recommend suspension or termination of, or refusal to grant or to continue Federal financial assistance, or take any other steps authorized by law. Such other steps may include, but are not limited to:

(1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking; and

(2) Any applicable proceeding under State or local law.

(b) *Refusal of Federal financial assistance.* (1) No order suspending, terminating, or refusing to grant or continue Federal financial assistance becomes effective until:

(i) The responsible Departmental official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means; and

(ii) There has been an express finding by the Secretary on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part.

(2) Any action to suspend, terminate, or refuse to grant or to continue Federal financial assistance is limited to the particular recipient who has failed to comply, and is limited in its effect to the particular program, or part thereof, in which noncompliance has been found.

(c) *Other means authorized by law.* No other action is taken until:

(1) The responsible Departmental official has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified by the responsible Departmental official of its failure to comply and of the proposed action;

(3) The expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period, additional efforts are made to persuade the recipient or other person to comply with the regulations and to take such corrective action as may be appropriate.

§ 27.127 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 27.125(b), reasonable notice is given by the responsible Departmental official by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice advises the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fixes a date not less than 20 days after the date of such notice within which the applicant or recipient may request a hearing; or

(2) Advises the applicant or recipient that the matter in question has been set for hearing at a stated place and time.

The time and place shall be reasonable and subject to change for cause. The complainant, if any, also is advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing constitutes a waiver of the right to a hearing under section 504 of the Act and § 27.125(b), and consent to the making of a decision on the basis of such information as may be part of the record.

(b) If the applicant or recipient waives its opportunity for a hearing, the responsible Departmental official shall notify the applicant or recipient

that it has the opportunity to submit written information and argument for the record. The responsible Departmental official may also place written information and argument into the record.

(c) *Time and place of hearing.* Hearings are held at the office of the Department in Washington, DC, at a time fixed by the responsible Departmental official unless he/she determines that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings are held before an Administrative Law Judge designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(d) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the responsible Departmental official have the right to be represented by counsel.

(e) *Procedures, evidence and record.* (1) The hearing, decision, and any administrative review thereof are conducted in conformity with sections 554 through 557 of title 5 of the United States Code, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving notice subsequent to those provided for in paragraph (a) of this section, taking testimony, exhibits, arguments and briefs, requests for findings, and other related matters. The responsible Departmental official and the applicant or recipient are entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing. Any person (other than a government employee considered to be on official business) who, having been invited or requested to appear and testify as a witness on the government's behalf, attends at a time and place scheduled for a hearing provided for by this part may be reimbursed for his/her travel and actual expenses in an amount not to exceed the amount payable under the standardized travel regulations applicable to a government employee traveling on official business.

(2) Technical rules of evidence do not apply to hearings conducted pursuant

to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross examination are applied where reasonably necessary by the Administrative Law Judge conducting the hearing. The Administrative Law Judge may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record are open to examination by the parties and opportunity is given to refute facts and arguments advanced by either side. A transcript is made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions are based on the hearing record and written findings shall be made.

(f) *Consolidation or joint hearings.* In cases in which the same or related facts are asserted to constitute noncompliance with this regulation with respect to two or more programs to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under section 504 of the Act, the responsible Departmental official may, in agreement with such other departments or agencies, where applicable, provide for consolidated or joint hearings. Final decisions in such cases, insofar as this regulation is concerned, are made in accordance with § 27.129.

§ 27.129 Decisions and notices.

(a) *Decisions by Administrative Law Judge.* After the hearing, the Administrative Law Judge certifies the entire record including his recommended findings and proposed decision to the Secretary for a final decision. A copy of the certification is mailed to the applicant or recipient and to the complainant, if any. The responsible Departmental official and the applicant or recipient may submit written arguments to the Secretary concerning the Administrative Law Judge's recommended findings and proposed decision.

(b) *Final decision by the Secretary.* When the record is certified to the Secretary by the Administrative Law Judge, the Secretary reviews the record and accepts, rejects, or modifies

the Administrative Law Judge's recommended findings and proposed decision, stating the reasons therefor.

(c) *Decisions if hearing is waived.* Whenever a hearing pursuant to § 27.125(b) is waived, the Secretary makes his/her final decision on the record, stating the reasons therefor.

(d) *Rulings required.* Each decision of the Administrative Law Judge or the Secretary contains a ruling on each finding or conclusion presented and specifies any failures to comply with this part.

(e) *Content of orders.* The final decision may provide for suspension or termination, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved. The decision may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended unless and until the recipient corrects its noncompliance and satisfies the Secretary that it will fully comply with this part.

(f) *Subsequent proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (e) of this section is restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (e) of this section may, at any time, request the responsible Departmental official to restore its eligibility, to receive Federal financial assistance. Any request must be supported by information showing that the applicant or recipient has met the requirements of paragraph (f)(1) of this section. If the responsible Departmental official determines that those requirements have been satisfied, he/she may restore such eligibility, subject to the approval of the Secretary.

(3) If the responsible Departmental official denies any such request, the applicant or recipient may submit a request, in writing, for a hearing specifying why it believes the responsible Departmental official should restore it to full eligibility. It is thereupon given a prompt hearing, with a decision on the record. The applicant or recipient is restored to eligibility if it demonstrates to the satisfaction of the Secretary at the hearing that it satisfied the requirements of paragraph (f)(1) of this section.

(4) The hearing procedures of § 27.127(b) through (c) and paragraphs (a) through (d) of this section apply to hearings held under paragraph (f)(3) of this section.

(5) While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (e) of this section shall remain in effect.
